#### SENATE RESOLUTION 607—RECOGNIZING THE NATIONAL GEOSPATIAL-INTELLIGENCE AGENCY ON ITS 20TH ANNIVERSARY

Mr. BLUNT (for himself, Mr. WARNER, Mrs. MCCASKILL, Mr. BURR, and Mrs. FEINSTEIN) submitted the following resolution; which was referred to the Committee on Armed Services:

S. RES. 607

Whereas, in an effort to improve the imagery intelligence, mapping, and geodesy capabilities of the United States, the National Imagery and Mapping Agency (in this preamble referred to as “NIMA”), the predecessor of the National Geospatial-Intelligence Agency (in this preamble referred to as the “NGA”), was founded on October 1, 1996, as a result of President William Jefferson Clinton signing into law the National Defense Authorization Act for Fiscal Year 1997 (Public Law 104-201; 110 Stat. 2422), which authorized the establishment of NIMA;

Whereas the NGA derives from legacy agencies, including the Defense Mapping Agency, the National Photographic Interpretation Center, the Defense Airborne Reconnaissance Office, the Central Imagery Office, and the Defense Dissemination Program Office, that played vital roles in the defense of the United States in conflicts dating back to World War II and contributed to the discipline of geospatial intelligence (in this preamble referred to as “GEOINT”) through imagery and mapping production;

Whereas the NGA has, throughout its 20-year history, provided GEOINT support to United States policy makers and military commanders in both war and peacetime during significant national security and natural disaster events, including—

- (1) the operations in the Balkans;
- (2) the response to Hurricane Katrina;
- (3) the operation that resulted in the killing of former al Qaeda leader Osama bin Laden;
- (4) operations against state-sponsored terrorist organizations;
- (5) the humanitarian assistance responses to earthquakes in Haiti and Japan; and
- (6) the continued critical mission support to members of the Armed Forces in the Middle East;

Whereas, with military and civilian employees serving at the NGA headquarters in Springfield, Virginia, the NGA West Campus in St. Louis, Missouri, and additional locations throughout the United States, and with personnel deployed worldwide in more than 200 locations in 17 countries, the NGA produces timely mapping, charting, geodesy, and intelligence products to warfighters, first responders, civil authorities, policy makers, and the maritime and aviation communities;

Whereas the NGA motto describes the many missions that were combined 20 years ago upon the creation of the NGA, “Know the Earth, show the way, and understand the world”;

Whereas the NGA is the primary organization responsible for developing, maintaining, and enhancing the World Geodetic System 84 reference frame, the foundation for all of the Positioning, Navigation, and Timing systems of the Department of Defense, including the
